## RELEVANT PROJECTS

### ARTIFICIAL: Media Production in an Age of AI

January 2024 – May 2024

*Documentary Filmmaker*

- Organized and conducted seven interviews with media professionals, and executed an IRB-approved survey to gauge thoughts on artificial intelligence in media production
- Wrote, produced, and edited a feature-length documentary during my final undergraduate semester for Honors curriculum
- **Awards:** First Prize at Undergraduate Research Conference Cinema Arts Day, Jury's Choice Award at CAMRA Screening Scholarship Showcase, Second Place in The BIG Contest 'Change the World' Competition

## EXPERIENCE

### Rise Media Inc. – Water Mill, NY

September 2024 – Present

*Photographer/Creative Producer*

- Producing architectural photography and digital content for real estate firms, enhancing their marketing efforts. Capturing events and showcasing properties through compelling visuals that drive engagement and appeal

### Bright Blue Media Group – Boston, MA

July 2024 – Present

*Production Assistant/Camera Operator*

- Collaborating with cinematographers, producers, and editors for televised events and documentary features, including "Boston Pops Fireworks Spectacular 2024" and "Folk Americana Roots Hall of Fame"
- Assisting with high-profile interviews such as Herb Chambers, Darlene Love, Kelli O'Hara, and Judy Collins. Providing on-set support to facilitate smooth operations during shoots and contributing to various production tasks

### Top Roofers, LLC – Newmarket, NH

June 2024 – July 2024

*Freelance Videographer*

- Conceptualized, filmed, and edited high-quality videos capturing the entire roofing process for luxury homes, used to enhance brand visibility and customer engagement on social media platforms

### "Fakes" Feature Film – Clinton/Shrewsbury/Worcester/Webster, MA

July 2023 – August 2023

*Assistant Directing Intern*

- Operated film slate in coordination with camera department, facilitated "lockups" to inform cast and crew when cameras were rolling, performed various tasks to aid all departments (Grip & Electric, Sound, Camera Operation, Art, Catering, Transportation)

### University of New Hampshire, The (603) Challenge – Durham, NH

January 2023 – April 2023

*Videographer*

- Organized and conducted interviews with students and faculty, developed videos encouraging donor support for 13 colleges and programs at UNH, facilitating a successful annual fundraiser event, with over 12,600 donors gifting nearly \$3 million dollars to the university
